Dear Sir/Madam,

On the 30th of March 2019, Thames Volunteer Fire Brigade (TVFB) will be holding a Fundraising Family Fishing Competition. Funds raised by TVFB are typically used to purchase specific equipment, protective clothing and items that assist us to better serve our community. We have previously held successful fishing competitions and after hearing feedback, it was clear that it brought the community and families together.

Event sponsors will be named on our Sponsorship Flyer which will be published prominently leading up to the event, including the Brigade Facebook page & website, and on a powerpoint presentation at the event itself. If you choose to become a sponsor, we urge you to send us a copy of your company logo, preferably in jpeg format. Sponsorship options are flexible, and TVFB will be very grateful for all contributions received.

We would ideally prefer responses within the next fortnight so we can get underway with advertising and publicity for the event to ensure that our sponsors receive maximum exposure. Once sponsorship is confirmed and received, advertising on our Facebook Page & Website will commence, including any links to your business website/social media account.

Thank you very much for considering sponsoring our local volunteer organisation.
Yours sincerely,

Greg Rendall
Chief Fire Officer
Thames Volunteer Fire Brigade

For confirmed Sponsors:

Name: _____

Contact Details: _____

Signature: _____
